

BLOOD TAKEN:

This is verification of the blood taken from David by force as ordered by the Sex Offender Registry.

To avoid any local news media, he went all the way to Fall River, MA and an Army Barracks to be humiliated in front of hundreds of onlookers. While that requirement was eventually stricken down, the damage had been done.

MASSACHUSETTS STATE POLICE

Crime Laboratory

This is a certification that the below listed: (check one) Probationer Parolee
has submitted a blood sample pursuant to Massachusetts General Law Chapter 22E.
